

# HUMBERTO CANALE

— PATAGONIA ARGENTINA —

Bodega Familiar Desde 1909

## HUMBERTO CANALE OLD VINEYARD

PINOT NOIR

**Variety:** 100% Riesling

**Vineyard location:** Winery owned old vineyards planted in 1937, located in General Roca, Alto Valle del Río Negro, Patagonia. This vines are the oldest plantation of Riesling in the entire PATAGONIA

**Harvest:** End of March. The berries are carefully handpicked in small containers and timely delivered to the winery, 1 km away from the vineyard.

**Yield:** 6,500 kgs per hectare.

**Crafting:** The grapes arrive at the winery in perfect sanitary conditions, with the right ripeness degree. They are de-stemmed and pressed to separate the solids from the liquid juice, the must, using a press process. The must is then stored in 9,000 Lts vats where it goes through a process to eliminate the lees, using cold and pectolytic enzymes. It is then transferred to stainless steel vats to go through the alcoholic fermentation, at a controlled temperature of 14° to 16°C for approximately 15 days. Finally, the wines are racked to different vats where they are clarified and stabilized before being bottled.

**Ageing potential:** 4 years in ideal temperature and humidity conditions.

**Tasting notes:** Riesling's softness motivated me to project this wine in relation to my granddaughter MORITA, a blond, delicate, ductile and very seductive little girl, sixth generation of the Canale family. This variety certainly resembles her; its essence makes it evolve splendidly throughout the years.

Fruity citric aromas with tropical notes and white peaches. Mineral characteristic.

In the mouth shows great elegance and harmony, fresh, fruity with elegant acidity.

**Pairing notes:** Sea food, fish, chicken and duck.

**Suggested serving temperature:** 8° C

**Technical notes:**

Alcohol content: 13.7% vol.

Total acidity: 6.07 g/L

Residual sugar: 4.67 g/L
